HOC SIGNO FORTUNA.

BALTIMORE, TUESDAY, January 15, 1822.

Three Thousand Dollars.

In honor of the Birth of WASHINGTON, the Managers of the 5th class of the lottery for completing the Monument, now erecting in Baltimore to his memory, have determined to commence the drawing on the 22d of next month, (February,) when, agreeable to the arrangement of the scheme, the first drawn number will be entitled to THREE THOUSAND DOLLARS. This handsome premium is payable in Cash, and can be had at COHEN'S OFFICE the moment it is drawn. Adventurers should not delay forwarding their orders, especially as there will be no risk until a considerable portion of the lottery will be completed, as the first drawn three thousand Blanks are entitled to Ten dollars. Such is the arrangement in this patriotic scheme, and is highly advantageous to those who make early investments.

In a pecuniary point of view the scheme is very attractive, there being no less than TWENTY-NINE CAPITAL PRIZES, viz:

30,000 Dollars	3,000 Dollars
20,000 Dollars	3,000 Dollars
10,000 Dollars	2,000 Dollars
5,000 Dollars	2,000 Dollars
5,000 Dollars	20 of 1000 dols.

Besides Hundreds, Fifties, and the unusual number of FIVE HUNDRED TWENTY DOLLAR PRIZES!—Not two Blanks to a prize!

The drawing will progress with all possible dispatch, under the superintendence of the Managers and the Commissioners appointed by the GOVERNOR and COUNCIL OF STATE, and will be conducted under the old and popular plan, of drawing both blanks and prizes.—The spirited demand for tickets has evinced the popularity of the scheme, and the estimation in which the American people hold the memory of Washington. To meet the views of all classes of our fellow-citizens, a considerable number of tickets have been divided in Shares, and will be furnished at the same rate as the whole tickets, viz:

Whole Tickets, . . . \$10 | Quarters, . . . \$2 50
Halves, 5 | Eighths, 1 25

ORDERS from any part of the United States by mail, *post paid*, or by private conveyance, will meet the most prompt attention, addressed to

J. I. COHEN, Jr.

Secretary to the Managers, Baltimore.

Companies or individuals who purchase at Cohen's office, tickets or shares to the amount of Fifty dollars, will be furnished *gratis* during the drawing, with the "Lottery Gazette," which will contain the managers' official list of all the numbers, blanks and prizes, drawn each day, together with the state of the wheel, and every other information interesting to adventurers.

The House of Delegates of this state, have passed a bill authorizing the Corporation of Baltimore to borrow \$50,000, to aid in removing obstructions to the navigation of the river Susquehanna. A bill is pending in the Legislature of Pennsylvania, to appropriate a similar sum for the same purpose.

New Line of Packets to Liverpool.—Messrs. Byrnes, Trimble & Co. have announced their intention of running their four fine ships between this port and Liverpool, as a line of packets, to depart at stated periods—one of the ships to leave this port on the 25th, and one to leave Liverpool on the 12th of each month. The establishment of the first line of packets between the two ports has been of great service in facilitating the intercourse and correspondence with Europe, and there can be no doubt that the new line, to depart at intermediate days, will be found advantageous and profitable to the proprietors, as well as to the mercantile world.

With two lines of packets, and numerous other ships of the first class, which leave this port with great punctuality on the days they appoint, the many passengers who are going to Liverpool, from the United States and Canada, will no doubt find the most ready conveyance through this port.

New-York Mer. Adv.

In the grand State Lottery of Maryland, which finished drawing on the 13th ult. no less than NINETEEN CAPITAL PRIZES were sold at COHEN'S OFFICE, Baltimore. Amongst them was the great prize of Forty Thousand Dollars, to a gentleman residing near Charlottesville, Virginia.

Adventurers holding small prizes in the Grand State Lottery, will please forward them to Cohen's Office, Baltimore, when the Cash will be immediately remitted per the return mail, or the amount will be invested in the Monument Lottery, if directions are given to do so.

UNITED STATES BANK DIRECTORS.

At an election held by the Stockholders on the 7th and 8th inst. the following gentlemen were duly elected Directors for the ensuing year, viz:

Samuel Wetherill,	
Silas E. Weir,

Benj'n. W. Rogers.	
	New-York.

And at a meeting of the Directors, held at the banking-house, LANGDON CHEVES, Esq. was unanimously elected President for the ensuing year.

The statue of Washington, by Canova, arrived safe at Raleigh, the capital of N. Carolina, on Monday, the 24th ult. It was transported by the steamboat from Wilmington to Fayetteville, and from thence on carriages, without injury, notwithstanding the weight of the packages and the badness of the roads. The legislature being in session, committees of arrangement were appointed, and the arrival celebrated with ceremonies due even to the statue of our great man.

The Cellars under Fulton Market, (New York,) were rented at Public Auction on Monday. They rented for \$7775. Five were not rented. The stalls had previously rented for \$18,165; making the annual receipts to the corporation from Fulton Market, and it is not all rented, \$26,640.

SHIP MARIANNA FLORA.

The examination of capt. De Britto and his crew before the District Judge on Thursday and Friday last, was on a criminal process, founded on a statute of the U. States, charging those persons with the crime of robbery on the high seas, in relation to the schr. Alligator.—The judge was satisfied from the evidence, that the charge was supported, and that capt de Britto's conduct in the encounter with the Alligator, was prompted by a solicitude to defend the valuable ship and cargo committed to his trust, under a mistaken apprehension that the Alligator was a piratical cruiser. It was not necessary, on that examination, to decide whether the sending this ship to the U. States for adjudication, were a justifiable act, and we understand that no opinion was expressed on that question. Under proceedings in Admiralty, if such should be instituted, every circumstance of the transaction, as the Judge observed, and its true character and consequences could be duly estimated and settled, with a far greater latitude as to the means of inquiry, than the rules of law would admit under the criminal charge which he had then to consider. We are not informed whether any process has been instituted in reference to the ship and cargo.

Extraordinary Election.—One of the most singular and interesting cases of election that has fallen within our notice, occurred in the choice of Mayor of Liverpool in October last. Richard Bullin and William Mollineaux, Esquires, were the candidates, the former supported by the whig and reform interest, and the latter by the Canning or ministerial party. At the close of the first day, (St. Luke's day, Oct. 18,) at midnight, the poll stood at precisely 700 votes for each; the next day the court adjourned with 1050 for each candidate. The third day left Mr. Mollineaux 1381, and Mr. Bullin 1739. And the fourth day terminated with 1619 for Mr. Bullin, to 1567 for Mr. Mollineaux,—majority 52. The first day 6s. per man was paid for votes—the 2d the price rose to a half sovereign, with extra orders for ale, &c.—the 3d day upwards of three pounds was paid for a vote—and on the fourth, from 5 to 6 pounds sterling was paid by each party for a single vote. So great a number of freemen was never polled in Liverpool before, and it was computed that £3000 was spent on each side. One of the electors sent the price of his vote to the editor of the Mercury, (hoping his example would induce others to follow it) in a letter, remarking:—"I inclose, for the benefit of the Strangers' Friend Society, a sovereign, [guinea,] which was forced into my hand, when I gave my vote for the Mayor.
